

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF INDIANA

**NO MAIL DISTRIBUTION OF
ORDER IN NO ASSET CASE**

Effective July 5, 2011, the Order in No Asset Case will no longer be distributed by mail. Distribution of that order to debtors and creditors is not required by the Code or the Rules. Review of other Courts' practices revealed that mailing out that order is not common, and such mailing has been identified as an unnecessary expense.

A Notice of Electronic Filing of the Order in No Asset Case will be received by the debtors' attorney, if any, and by others receiving electronic notice in the case. The order is, of course, available for review and download from PACER by other interested parties.
