

Expired Claims Deadline re: Limited Notice (WO 5296) [Court Users]

Pursuant to Fed.R.Bankr.P. 2002(h), once the last day to file claims has expired in a chapter 7 case, notices required per Fed.R.Bankr.P. 2002(a) may be limited to claimants only. The noticing program has been updated to display a message about limiting notice when the claims deadline has expired.

Expand Text Boxes on Forms (WO 5388) [Court Users]

Text boxes on forms have been updated so users may double-click on the box to expand it for easy viewing and editing.

Small Business Flags (WO 5471) [Court Users]

When a small business case is filed, two flags are set. The SmBus flag is displayed on the top of the docket, and a behind-the-scenes flag is set that is accessible through Edit Case Data by checking the Edit Statistical Information checkbox. Both flags must be set for small business events to work properly. The Flags - Add/Remove utility event has been updated so the behind-the-scenes flag is auto-updated; i.e., if the SmBus flag is removed, the behind-the-scenes flag is changed to No; if the flag is added, the behind-the-scenes flag is changed to Yes.
