

Exception to Filing FRBP 3002.1 Payment Change Notices (WO 5595) [All Users]

Pursuant to updated Local Rule S.D.Ind. B-3002.1-2, effective 12/3/12, a new event is now available: Notice of Exception to Filing Notices of Payment Change Pursuant to Fed.R.Bankr.P. 3002.1(b).

Updated 341 Meeting Notices (WO 5585) [All Users]

All 341 meeting notices now include the following disclaimer: "Creditors - Do not include this notice with any document filed with the court." Since 341 notices issued to creditors include the full Social Security number, it's important that the notices are not attached to any documentation filed with the court.
