

Remove Small Business Designation When Creditors Committee Appointed (WO 5521) [All Users]

When an order granting the U.S. Trustee's motion to appoint a creditors committee is entered, the chapter 11 case is no longer eligible to be treated as a small business case. The SmBus flag and the small business designation are automatically removed upon entry of the order.

Exhibit D Event re: Misspelled Word (WO 5646) [All Users]

The word "attached" was misspelled in a message in the Exhibit D event. The misspelling has been corrected.

Order on Report of Surplus Funds (WO 5513) [Courtroom Services]

The order entered on trustees' reports of surplus funds has been updated to automatically calculate a 30-day extension of time for filing proofs of claim, which eliminates the need for CRDs to calculate the extension deadline.

Pretrial and Scheduling Orders re: Deadlines (WO 5366) [Court Users]

The deadlines set when the Preliminary Pretrial and the Scheduling Orders are entered have been changed into docket text only deadlines, which are not monitored. Deadlines affected are Exhibit List Due, Witness List Due, Pretrial Statements Due, and Briefs Due.

Notice of Incomplete Filing re: Pro Se Plaintiffs (WO 5596) [Court Users]

The Notice of Incomplete Filing event has been updated to send the notice through the BNC when issued to a pro se plaintiff.

Chapter 12/13 Plans re: Clerk No Longer Distributes (WO 5531) [Court Users]

The Issue Plan/Amended Plan Through BNC events have been retired as they are no longer needed. The PlanIssuedToCredits? flag has also been removed from ECF.

Log Errors re: Bad Passwords (WO 5633) [Systems]

Errors were being recorded when login attempts exceeded 99. The program has been updated to reset the attempts to a number lower than 99, so errors no longer occur.
