

Chapter 13 Discharge Related Documents (WO 5802) [All Users]

The Notice of No Discharge document has been updated to inform chapter 13 debtors that the following documents, if missing at the time the case is closed, may not be filed until the case has been reopened: Motion for Entry of Chapter 13 Discharge, Certification of Eligibility for Chapter 13 Discharge, and Notice of Domestic Support Obligation.

Motions for 2004 Examinations (WO 5912) [All Users]

A Motion for Examination Under Fed.R.Bankr.P. 2004 may not be filed in an adversary proceeding. The event has been updated to restrict filing to bankruptcy cases only.

Objections to Notices of Default (WO 5916) [All Users]

The Objection event has been updated to allow users to relate it to a Notice of Default when appropriate.

Transmitting PDF Files re: US Trustee Interface (WO 5898) [U.S. Trustee]

The U.S. Trustee has requested that several events be updated to transmit copies of the PDF files through the U.S. Trustee interface. Events included on the list are plans, disclosure statements, conversion motions/notices, sale and operations reports, and documents filed with the petition.

Notice of Submission Event (WO 5905) [Limited Users]

The Notice of Submission event was made available for limited users a few years ago so notices of servicer change could be filed as a specific event was not available. Now that the Notice of Servicer Change event is available, the Notice of Submission event has been removed from the limited user menu.
