

Order Action Text (WO 5874) [All Users]

Docket text will be added to existing order entries if the order is rescinded or vacated. Also, docket text will be added to reaffirmation agreement entries if a rescission is filed, to discharge entries if revoked or rescinded, and to any document that is stricken. The docket text will show up in blue and include the order action and related document number.

Chapter 11 Disclosure Statement re: Updated Message (WO 6011) [All Users]

A message has been updated in the Chapter 11 Disclosure Statement event to direct filers to the Schedules/Statement of Financial Affairs/Initial Required Documents menu to file a Statement of Disclosure when they attempt to use this chapter 11 event on a non-chapter 11 case.

Final Judgments (WO 5973) [Court Users]

When a Judgment Order, an Order on Motion for Summary Judgment, or an Order Dismissing Adversary is docketed, the user will be asked if the judgment is a “final judgment”. If so, a 14-day closing deadline will be set and docket text will include this statement: Notice of entry of this order/judgment is hereby provided to parties pursuant to Fed.R.Bankr.P. 9022(a).

Order Overruling Objections (WO 5983) [Courtroom Services]

The Order Overruling Objections event has been updated to remove radio button options which will streamline docketing. Courtroom deputies may add additional text directly to the SDO.
