

## **Joinder Events (WO 6028) [All Users]**

The Motion for Joinder of Party Pursuant to Fed.R.Bankr.P. 7020 event was updated to display, if the motion is filed on an involuntary case, a message referring filers to the Notice of Joinder in Involuntary Petition Pursuant to 11 U.S.C. Sec. 303(c) event when appropriate. The Notice of Joinder in Involuntary Petition event was updated to correct a cite reference and to add "Notice of" to the beginning of docket text.

---

## **Order Vacating Order (WO 5714) [Courtroom Deputies]**

The judges decided that the preferred order action for orders entered in error would be vacated rather than rescinded. The Order Rescinding/Vacating Order event was updated to remove all references to "rescission" and always add "entered in error" to the SDO created from the event.
