

Chapter 12 Plan Processing (WO 5836) [All Users]

Debtors are required to serve the chapter 12 plan on all creditors. The Chapter 12 Plan event has been updated to reference S.D. Ind. B-3015-2 and inform debtors that the court will be preparing a notice to be distributed with the plan. The notice distributed with the plan sets a status conference with the trustee and, if all objections are resolved, the confirmation hearing with the judge. Other related events and forms have also been updated.

Chapter 13 Plan Processing re: Pro Se Debtors (WO 6022) [All Users]

The plan notice distributed with the chapter 13 plan has been updated to add a paragraph with distribution instructions when pro se debtors are required to distribute the plan.

SSN/EIN Searches (WO 5940) [All Users]

The SSN/EIN search function under Query has been updated to only return information for debtors. Previously, other party records (e.g., creditors) containing an SSN or EIN were also displayed.

Loss Mitigation Mediation Reports (WO 6082) [All Users]

The Loss Mitigation Mediation Report event has been updated so filers must upload a PDF file for all report types. Previously, a PDF file could not be uploaded if the Report of Settlement radio button option was selected.

Objection Notice re: Chapter 11 Relief from Stay Motions (WO 6053) [Court Users]

When an objection notice is issued on a chapter 11 relief from stay motion, users are asked to add a property description during docketing, and the description is then added to the objection notice.

New Location Code re: Eastern Livestock (WO 6085) [Courtroom Deputies]

The telephone number used for hearings on the Eastern Livestock case has changed so a new location code was created. Unused codes have also been removed.
