

## **Notice of Consolidated or Jointly Administered Cases (WO 6107) [All Users]**

When cases are consolidated or jointly administered, the Clerk's Office issues a notice to creditors with details about how pleadings should be captioned and in which case pleadings should be filed. The notices were updated to match Local Rule requirements and give more detailed information.

---

## **Miscellaneous Proceedings (WO 6061) [Court Users]**

A new Miscellaneous Proceeding event is now available for use when opening a miscellaneous proceeding. The other miscellaneous proceeding opening options – complaint, notice of removal, foreign judgment, and writ of execution – remain available.
