

Supplement to Chapter 11 Plan (WO 6090) [All Users]

This new event may be used to supplement small business plans and may be filed on jointly administered member cases.

Order Granting Waiver of Chapter 7 Filing Fee (WO 6125) [All Users]

This order has been updated to include information for debtors that all future filing fees are also waived, although any payments submitted by the debtor will not be refunded.

Terminated Attorneys and Daily Summary Report (WO 6133) [All Users]

When an attorney uses the Daily Summary Report to receive ECF notifications and the attorney is terminated from a case, any documents filed in the case on the day the attorney is terminated were not included in the report, including Orders Granting Withdrawal of Attorney. The report has been updated and attorneys terminated from a particular case will receive notification in that case through the end of the day they are terminated.

Optional Relating Function (WO 6135) [Court Users]

Certain events, including several orders, are set up so users can only relate to one other entry. Relating to more than one entry can cause an SDO to fail. The restriction to just one event was not working if the event was set up with optional relating. The function has been fixed and the one-entry restriction is working again.

Pro Se Notice of Required Documents re: 341 Meeting (WO 6147) [Court Users]

This notice is issued to pro se chapter 7 debtors, but the two manual 341 meeting notice events were not set up to do so. Both events have been updated and the notice will be issued correctly.

Administrative Order Reopening Case (WO 6110) [Court Users]

This order and the related event have been updated to allow users to insert "in error" when appropriate, and the order and event may now be used in an adversary proceeding.

Time Clock (WO 6106) [Court Users]

The Time Clock has been updated to change the "Period" box to reflect total time worked in the current period. Previously, this box only reflected time worked through the day before. Also, a new User Summary Report is available for supervisors and administrators.
