

**Remove Order to Pay options from Batch Order Upload (WO 6126) [Trustees]**

The Trustee Batch Order Upload function contained several order types which are not used in the Southern District of Indiana, such as Order to Pay. These have been removed.

---

**Motion for Chapter 11 Prepackaged Scheduling event (WO 6151) [All Users]**

This event is required by the revisions to local rules that went into effect in October, 2013. The event was inadvertently not created at the time.
