

## **Appearances on Closed Cases (WO 6184) [All Users]**

Events that set deadlines are restricted so they cannot be docketed on closed cases, and the Appearance event falls into the restricted category (a deadline is set when filed on behalf of an Intervenor). The Appearance event has been added to a list of exceptions, and outside filers may now file appearances on closed cases.

---

## **Implement National Rule Changes (WOs 6167, 6193) [All Users]**

Multiple events dealing with appeals, update forms, and redactions of personal identifiers have been updated. For details on changes, please see [Notice of Changes to National Rules and Forms and of New General Order 14-0006](#).
