

Motion to Modify Plan (WO 6197) [All Users]

A message citing S.D. Ind. B-2015-3, which tells the filer that they are responsible for issuing the notice, was displaying for all chapters. The message has been modified so that it will only display for chapter 12 & 13 cases.

Motion for Hardship Discharge (WO 6200) [All Users]

Messages reminding the filer of Financial Management and Certification of Eligibility requirements have been updated to clarify that the Motion for Hardship Discharge must be filed before attempting to file Certifications of Eligibility.

Chapter 7 Statement of Current Monthly Income (Form 22A-1) (WO 6203) [US Trustee]

The UST flag has been set on this event so the U.S. Trustee will receive a copy of the PDF file when events and documents are transmitted.

Auto ONAC Program (WO 6201) [Court Users]

The Close Case deadline was not being set by the auto-ONAC routine on corporate cases after issuing the ONAC. This has been fixed.

Notice of Case Number Change (WO 6177) [Court Users]

This notice is issued after a joint case splits into two individual cases. The notification of the new case number was not going to the debtor assigned to the new case. This problem has now been fixed.
