This problem has been fixed.

Tracking Unconfirmed Chapter 13 Cases (WO 6205) [Court Users]

This WO was reopened to update conversion events to track unconfirmed chapter 13 cases. When a case converts to a chapter 13, a deadline is set for one year from conversion, and when it converts from a chapter 13 to another chapter, the deadline is terminated. The Notice of Conversion to Chapter 7 event also terminates the deadline.
