

Closing Chapter 11 Cases (WO 6137) [All Users]

Upon entry of a Final Decree or an Order Dismissing Case, chapter 11 cases will be closed immediately.

Judgment Events re: Bug Fix (WO 6229) [Court Users]

The various judgment order events always set a Close Adversary Case deadline, even when docketed on a bankruptcy case. The events have been updated and the deadline is now only set on adversary proceedings.

Remove Events from Auto-QC List (WO 6230) [Court Users]

The Return Mail and Close Adversary Proceeding events are no longer being auto-QCed. These events will be monitored in CMAssist by judicial assistants/CRDs.
