

## **Email Chambers upon Filing of Certain Motions (WO 6175) [Chambers]**

An email is sent to chambers when any of the following motions are filed: Motion for Sanctions, Motion for Damages for Creditor Misconduct, Motion for Order of Contempt.

---

## **Interim Order (WO 6192) [Court Users]**

A new Interim Order event is now available. Case managers may enter hearing and objection deadline information, which will be added to docket text.

---

## **Notice/Stipulation of Dismissal re: Closing Deadline (WO 6233) [Court Users]**

The Notice of Dismissal of Adversary Proceeding and the Stipulation of Dismissal of Adversary Proceeding events have been updated to set a 7-day Close Adversary deadline if the filer indicated that the notice/stipulation applied to the entire adversary and the adversary is not a 727 complaint for which a 21- day Close Adversary deadline is already set.

---

## **Auto-Discharge Program (WO 5726) [Court Users]**

To facilitate the implementation of the auto-discharge program (at a later date to be determined), the Motion to Extend Time to File Complaint event has been updated to always set an extension deadline on chapter 7 cases, and to only terminate discharge deadlines when the extension deadline is set for later than the discharge deadline.
