

Transfer of Chapter 13 Cases re: Trustee Substitution (WO 6214) [Court Users]

In preparation for Chapter 13 Trustee Robert Brothers retirement, programs substituting trustees have been updated.

Statements of Current Monthly Income (Form B22 Events) (WO 6243) [All Users]

The label for the variable field requesting that users input their current monthly income has been updated to add the line number from the form. The following events were affected: Chapter 7 Statement of Current Monthly Income/Statement of Exemption, Chapter 11 Statement of Current Monthly Income, and Chapter 13 Statement of Current Monthly Income and Calculation of Commitment Period.

Updated Appeal and Withdrawal of Reference Events (WO 4511) [Court Users]

The Transmittal to District Court event has been split into two events; one for use with appeals and one for use with withdrawals of reference. Minor wording changes were made to other appeal-related events.

Fed.R.Bankr.P. 9037 Motions (WO 6216) [Court Users]

When a Motion for Protective Order, Motion to Remove Document, or a Motion to Restrict Public Access is filed, the related document will be restricted upon filing of the motion, rather than waiting for the order to be entered. If the motion is denied, the document will be unrestricted. Team leaders will receive an email notification upon filing of the motion and if an order denying motion is entered.
