

## **Motion for Default Judgment re: Clerk's Entry of Default (WO 6240) [All Users]**

An Application for Entry of Default by Clerk must be filed prior to filing a Motion for Default Judgment. The motion event has been updated to prevent filers from continuing if an application was not previously filed.

---

## **Omnibus Redaction Motion re: Miscellaneous Case (WO 6244) [All Users]**

Filers have the option to open a miscellaneous case to file an omnibus motion to redact personal identifiers in multiple cases. Programs to restrict existing documents and upload replacement documents have been updated.

---

## **Case Note Event and New Status Deadline (WO 6242) [Law Clerks]**

A new deadline has been created, and law clerks now have the option to set a CRD-monitored deadline or a law clerk-monitored deadline from the Case Note event. Law clerks can monitor the deadline through CMAssist, if they have access, or through the Deadlines Report in ECF.
