

Motion to Enforce Automatic Stay (WO 6259) [All Users]

A new Motion to Enforce Automatic Stay event is now available on the Motions/Applications menu. A corresponding order event is available for court use.

Affidavit Disclosing Mediator's Connections (WO 6266) [All Users]

This event has been updated to allow filers to relate the affidavit to any order, rather than restricting the relationship to the Notice of Selection of Mediator event only.

Auto-Case Closing Program (WO 6226) [Court Users]

A program that will automatically close eligible discharged and dismissed cases will be implemented on Monday.

Auto-Order Terminating Wage Assignment Program (WO 6246) [Court Users]

A program that will automatically docket wage assignment termination orders on closed, dismissed cases will be implemented on Monday.
