Requesting Debtors' Tax Returns (WO 6268) [All Users]

The process for requesting and accessing debtors' tax returns has been clarified by the Administrative Office of the U.S. Courts. Events have been tweaked to match the updated procedure.

Objection to Notice of Conversion (WO 6284) [Trustees]

The Objection event has been updated to allow trustees to object to a Notice of Conversion when appropriate.

Mega-Insert Notice (Van30) (WO 6156) [Court Users]

The mega-insert noticing event and form have been updated to allow users to add a more descriptive title to the form. Previously, "Notice" was the only title option.

Notice of Availability of Exhibits (WO 6250) [Courtroom Deputies]

This form and the corresponding event have been updated to include a CRD's name on the form so attorneys would know who to contact about picking up exhibits.

Locking Out Inactive Limited Users (WO 6253) [Court Users]

For security purposes, a nightly cron job will be run to terminate and lockout limited users who have not filed with the Court in the last three years.
