

Certification of Eligibility re: Hardship Discharges (WO 6273) [All Users]

The Certification of Eligibility for Chapter 13 Discharge event has been updated so that an objection deadline is not set if the debtor filed a Motion for Hardship Discharge. A separate objection deadline is set for hardship discharges when the court issues a notice to all creditors concerning the hardship request.

Motion to Reopen Case re: Internal Error 74 (WO 6417) [All Users]

A filer received an Internal Error 74 message (i.e., something's wrong and your document cannot be filed) when trying to file a Motion to Reopen Bankruptcy Case on a closed Terre Haute case assigned to Judge Otte. Two problems were found – one with how the event was selecting judges and the other with the conflict program. Issues have resolved and the event and program are working correctly.

IsValue and IsVariable Functions (WO 2088) [Court Users]

The locally developed IsVal and IsVar functions are being merged with the national IsValue and IsVariable functions, and small groups of updated events are being periodically moved to LIVE. Users should not notice any changes to the updated events, but if problems occur, contact the Court. Updated events:

- Judge - Terminate/Add
 - Order (Generic)
 - Order Substituting Trustee
 - Discharge of Debtor(s)
 - Order Terminating Wage Assignment
