

Chapter 13 Agreed Entries (WO 6400) [Trustees]

To help filers use the correct events, the following changes have been made:

- The Agreed Entry Resolving an Issue event can no longer be related to a plan, an amended plan, or a confirmation order; and
 - The Agreed Entry Modifying Plan Post-Confirmation event can't be filed if there's a pending trustee's Motion to Dismiss on the docket.
-

Motion to Sell re: Fee Record Error (WO 6450) [Attorneys for Trustees]

When an attorney for the trustee filed a Motion to Sell and indicated that the fee should be paid immediately, a fee record was not being created and the attorney could not pay the fee. The event has been fixed and a fee record is now created when appropriate.
