

## **Information Only Events (WO 6426) [All Users]**

Information only events are available in ECF to give filers guidance, but some of those events were not labeled as such, causing some confusion for both inside and outside users. All information only events are now labeled correctly.

## **Transcript Due Deadline (WO 6431) [Courtroom Deputies]**

When the transcriber files his Acknowledgment of Transcript Request and indicates the date the transcript will be filed, that due date will be set up as a monitored deadline. Currently, the due date is a docket-text only deadline.
