

Claims Agent Warning Message (WO 6457) [All Users]

When a filer attempts to file a claim on a case where a claims agent has been appointed, a message is displayed stating that claims should be filed with the claims agent. The claims agent name and address are displayed under the warning message.

Motions to Sell and Bid Procedures (WOs 6452, 6460) [All Users]

The Motion to Sell event has been updated to ask filers if bid procedures are included in the motion; if so, docket text will reflect “with proposed bid procedures”. The Motion for Bid Procedures and the Motion to Approve Sale Pursuant to Bid Procedures events are now stopper events with links to Local Rule S.D.Ind. B-6005-4. A new Notice of Approval of Bid Procedures and Sale Process event has been created. The Order Approving Bid Procedures and Setting Sale Hearing event was updated to set a new deadline to monitor the filing of the required notice. Filers must get court approval of the notice before it can be filed. Additionally, the Motion to Sell event was updated to add a message asking filers to NOT file an objection notice with their motion if they are asking for shortened notice or an expedited hearing.

IsValue and IsVariable Functions (WO 2088) [All Users]

The locally developed IsVal and IsVar functions are being merged with the national IsValue and IsVariable functions, and small groups of updated events are being periodically moved to LIVE. The following events are going LIVE this week:

-

Setting FeeDef Flag re: Trustee Motion to Sell (WO 6432) [Court Users]

The Order on Motion for Authority event has been updated to allow case managers to set the FeeDef flag if the order grants the deferral of the filing fee for a trustee's Motion to Sell.

Auto-Discharge Program (WOs 6447, 6454) [Court Users]

This program has been updated to prevent a discharge from being auto-issued when:

- the PriorDISCH flag is present;
 - a Motion to Dismiss Party is pending; or
 - on a chapter 13 case, a Notice of Plan Completion is not present or has been withdrawn.
-

Summons Proof of Service Deadline (WO 6466) [Court Users]

A new Summons Proof of Service deadline has been created. Court staff handling adversary proceedings will monitor the 90-day deadline.

Health Care Ombudsman Deadline (WO 6456) [Courtroom Services]

To ensure that the appointment of a health care ombudsman is processed timely, a new 3-day Health Care Ombudsman Appointed? deadline has been created and will be set on health care cases.

BNC re: Incorrect Name/Address Formatting (WO 6478) [Court Users]

Our court uses a local function to add the debtor attorney's name and address to the 341 meeting notice. After the upgrade to 5.1.1 the function no longer worked correctly and the name and address information couldn't be processed by the BNC. The program has been updated and the local function once again works correctly.
