

Pay Advices (WO 6453) [All Users]

Pursuant to Local Rule S.D.Ind. B-1007-5, pay advices will be restricted from public view in the same manner as Social Security statements. Any party in interest who wants to see pay advices may request a copy from the debtor.

RSS Feeds (WO 6511) [All Users]

Per a PACER Service Center request, the case number format for outside RSS Feeds has been updated to include the office number and case type – O:YY-TY-#####. By standardizing the case numbers across the country, outside users can utilize RSS Feeds from all courts without having to manage different case number formats.

Close Bankruptcy Case Docket Text (WO 6489) [All Users]

The docket text for the Close Bankruptcy Case event has been updated to include Final Decree language for all fully administered cases, except for chapter 11 cases in which a Final Decree form will continue to be issued.

Duplicate Database Records re: Bug Fix (WO 6505) [Systems]

When two or more relationships are added to an existing docket entry through the “Add/delete docket entry relationships” radio button on the Edit Docket Entries screen, duplicate docket part records are created. The program has been updated to prevent the duplicate records from being created. The existing duplicate records will be deleted.
