

Employment of Professionals and Retainers in Chapter 11 Cases (WO 6459) [All Users]

The following events have been updated or added to better match the requirements for employing professionals and treating retainers in chapter 11 cases pursuant to Local Rule S.D.Ind. B-2014-1:

- Application to Employ
 - Order on Application to Employ
 - Notice of Draw on Retainer/Payment of Fees or Expenses Pursuant to B-2014-1
 - Motion to Establish Procedures for Interim Compensation and Reimbursement of Expenses
 - Notice on Motion to Establish Procedures for Interim Compensation and Reimbursement of Expenses
 - Order on Motion to Establish Procedures for Interim Compensation and Reimbursement of Expenses
-

Corrected Petitions (WO 6507) [All Users]

The Amended/Corrected Petition event has been updated to allow filers to indicate if other documents have been included with a corrected petition, and those documents are added to docket text to better reflect what was filed.

Backquotes (WO 6513) [All Users]

Users might have noticed that backquotes (`) were used in messages displayed in events and in docket text due to restrictions placed on use of single quotes ('). The program has been updated to allow use of single quotes. All affected events have been updated.

Notice of No Discharge Event (WO 6318) [Court Users]

The event has been updated to only include the U.S. Trustee's Notice of Ineligibility option when that document is already on the docket. The U.S. Trustee event was retired last year, but previously filed notices can still be referenced when issuing a Notice of No Discharge.

Installment Fee Payment Events (WO 6520) [Financial]

For accounting purposes, separate events have been created for chapter 7, chapter 11, chapter 12, and chapter 13 installment fee payments. The original Installment Fee Payment event has been turned into a dummy event that routes users to the appropriate chapter-related event. This change is transparent to outside users.
