

Notice of Motion for Adequate Protection (WO 6169) [All Users]

A new Notice of Motion for Adequate Protection event has been created. The Motion for Adequate Protection event has been updated to allow users to indicate that a notice is included with their motion.

Objection Deadline with Hearing Opportunity (WO 6600) [All Users]

An error in docket text for this deadline has been corrected. Docket text now reflects that a hearing will be held **if** objections are timely filed, rather than **unless** objections are timely filed.

Exhibit Review Date Deadline (WO 4655) [Courtroom Services]

A new Exhibit Review Date deadline has been created and can be set from vCal when docketing a Minute Entry/Order or through the Edit Data > Create a Calendar Event for a Case menu. This deadline and the existing Exhibit Disposal deadline are both left pending upon closing of either a bankruptcy case or an adversary proceeding. The Exhibit Review Date deadline is auto-terminated upon issuance of a Notice of Availability of Exhibits.
