Docket Report Enhancements

The Create Appendix option has been modified so you have more flexibility in customizing a docket report. Now you can select only the entries you want and whether you want the PDF document appended to this customized report. Or, if you just want an abbreviated docket report without attached PDF documents, you can select only the entries you need for the task at hand.

The screenshot shows the ECF Docket Sheet interface. At the top, there are navigation tabs: Bankruptcy, Adversary, Query, and Reports. The main heading is "Docket Sheet". Below this, there is a search section with a "Case number" field containing "10-10010" and a "Find This Case" button. There are radio buttons for "Filed" (selected) and "Entered", each followed by a date range selector. Below that is a "Documents" field with a "to" label and another date range selector. The interface is divided into two columns of options. The left column, under "Include:", has three unchecked checkboxes: "Terminated parties", "Links to Notices of Electronic Filing", and "Page counts for documents". The right column, under "Document options:", has two unchecked checkboxes: "Include headers when displaying PDF documents" and "View multiple documents". A red-bordered box highlights a section containing a checked checkbox for "Create Appendix". Below this, under "Include on the Docket Sheet:", there are two radio buttons: "all docket entries in this case" (selected) and "selected docket entries only". At the bottom of the red box, there is a checked checkbox for "Include PDF documents" with the text "(select documents on the next screen)" below it.

Docket Activity Report

The Docket Activity Report has been enhanced to include time filters. The report can be run in time increments, rather than running the report for the entire day. A new clock icon offers an alternative to typing in the time.

Calendars and 341 Meeting

You can now view All Hearings without the 341 Meeting settings included. A 341 Meeting selection has been added to the hearing type list.

The daily and monthly calendars and the deadlines and hearings report also have this new 341 Meeting option.

Query

New query options have been added:

- Filed Date range,
- Last Entry Date range
- Nature of Suit.

The screenshot shows the CM/ECF Query interface. At the top, there is a navigation bar with links for Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. Below the navigation bar, a warning message states: "Warning: you will be billed for the total number of pages (this report is not subject to the 30-page limit on PACER charges)." The main search area is titled "Search Clues" and contains several input fields: Case Number, Last / Business Name (with examples: Desoto, Des*t), First Name, Middle Name, SSN / ITIN, Tax ID / EIN, and Type (with checkboxes for Open cases and Closed cases). Below these fields, there are date range selectors for "Filed Date" and "Last Entry Date", each with a calendar icon. A "Nature of Suit" dropdown menu is also present, with options: "01 (Determination of removed claim or cause)", "02 (Other (e.g. other actions that would have been brought in state court if unrelated to bankruptcy))", "11 (Recovery of money/property - 542 turnover of property)", and "12 (Recovery of money/property - 547 preference)". At the bottom of the search area, there are "Run Query" and "Clear" buttons.

The Filed Date and Last Entry Date range is limited to 31 days. If a date range entered exceeds the 31 day limit CM/ECF displays an error message.

If multiple Nature of Suits are selected for a query, CM/ECF displays a message that the search could produce many records and lead to a large billing charge.

Notice of Electronic Filing

In prior releases, when an attorney represented more than one party in a case, the attorney's email and party information were listed on the Notice of Electronic Filing (NEF) only for the first party. Now the attorney is listed for each party they represent.

Although an attorney may be listed multiple times on an NEF, the system will not send multiple emails.

The screenshot displays the ECF (Electronic Case Filing) system interface. At the top, there is a navigation bar with the ECF logo and several menu items: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and a user profile icon labeled 'L. ut'. Below the navigation bar, the page title is 'Open New Bankruptcy Case'. The main content area is titled 'U.S. Bankruptcy Court' and 'SDSD'. A link for 'Notice of Bankruptcy Case Filing' is provided. The text of the notice states: 'The following transaction was received from Liska, Deanna entered on 5/22/2012 at 8:07 AM CDT and filed on 5/21/2012 at 9:00 AM CDT'. It lists the 'Case Name' as 'Chip Randall and Sandy Randall', the 'Case Number' as '12-10067', and the 'Document Number' as '1'. The 'Docket Text' section reads: 'Chapter 13 Voluntary Petition . Receipt Number cc, Fee Amount \$281 Filed by Chip Randall , Sandy Randall (Liska, Deanna)'. Below this, it states 'The following document(s) are associated with this transaction:'. The 'Document description' is 'Main Document' with the 'Original filename' as 'R:\TRN\BK\Application Class\Web\Class PDF Files\Voluntary Petition.pdf'. The 'Electronic document Stamp' includes a unique ID and date: '[STAMP bkecfStamp_ID=1044576575 [Date=5/22/2012] [FileNumber=25563-0] [93b9881960c2f5714f7e10b7fe0d4214ce6ce93df97ee22f1b597a61b84e217317454558a2d50b45aa505e84b6c6a2e2cba2329e2cf5803ab1269d37d5ecc0a58]]'. The notice is to be electronically mailed to Dayne L. Tracy on behalf of Debtor Chip Randall and Joint Debtor Sandy Randall, both at 'deadmail@support.aotx.uscourts.gov'. It also lists the contact information for the United States Trustee: '33 Whitehall Street, 21st Floor, New York, NY 10004'.

Cases Report – Data Only

In prior releases, when the Cases Report was run with “Party Information” not selected, a party’s attorney information was displayed on the formatted data output, but not on the data-only output. Now the data-only output lists the attorney information for the parties in the Attorney last name field, as shown below.

If multiple attorneys exist for various parties, the role and attorney are listed, separated by semicolons, in the same field. For parties without an attorney, the text “Pro se” is displayed instead of the attorney name.

A new format option, “Include field descriptions,” has been added for use when the data-only format is selected. The field descriptions are inserted in the header row.

Claims Register View Multiple Documents

One can now view multiple documents from the Claims Register in one PDF file. This is the same functionality as View multiple documents on the Docket Report. This feature will enable you to generate selected PDF claims with any related attachments in one PDF document.

The screenshot shows the ECF Claims Register search interface. At the top, there are navigation tabs: Bankruptcy, Adversary, Query, Reports, Utilities, Search, and Logout. The main heading is "Claims Register". Below this, there are several input fields: "Case number" (1:11-bk-10004), "Creditor type" (dropdown menu with "Creditor" and "Administrative" options), "Creditor number" (text input), and "Creditor name" (text input). There are also "Claim number" fields with "to" and "from" indicators, and radio buttons for "Filed" and "Entered" with date pickers. A "Sort by" dropdown menu is set to "Claim Number". A checkbox labeled "View multiple documents" is highlighted with a red box. At the bottom, there are "Run Report" and "Clear" buttons.

The Claims Register will include a checkbox next to each claim, claim attachment, or claim related proceeding to customize this document. Each PDF selected will be combined into one large PDF file. You could view or print all claims on a case or all PDF documents from certain creditors if desired.

The screenshot shows the ECF SDDS Claims Register for case 11-10004. The heading is "SDDS Claims Register". Below this, there is a link to the case: "11-10004 Clinton H. Vesperman and Anna C. Vesperman". The judge is Lillian Strasberg, Chapter 13, Office Pleasantville, and Trustee Kathleen Nelson. The last date to file claims is 07/07/2011, and the last date to file (Govt) is 09/06/2011.
